WOMAN COULD NOT SIT UP

Now Does Her Own Work. Lydia E. Pinkham's Vegetable Compound Helped Her.

Ironton, Ohio.—"I am enjoying better health now than I have for twelve years. When I began to take Lydia E. Pinkham's Vegetable Compound I could not sit up. I had female troubles and was very nervous. I used the remedies a year and I can do my work and for the last eight months I have worked for other women, too. I cannot praise Lydia E. Pinkham's Vegetable Compound enough for I know I never would have been as well if I had not taken it and I recommend it to suffering women."

Daughter Helped Also. "I gave it to my daughter when she was thirteen years old. She was in school and was a nervous wreck, and could not sleep nights. Now she looks so healthy that even the doctor speaks of it. You can publish this letter if you like."—Mrs. RENA BOWMAN, 161 S. 10th Street, Ironton, Ohio.

Why will women continue to suffer day in and day out and drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.

Death of Mr. and Mrs. John Bouplon of Dexter Iowa

Amelia Chase Bouplon, wife of John Bouplon, died suddenly of pneumonia Friday Feb. 6 after 5 days illness. John Bouplon died suddenly of the same disease, Sunday Feb. 8, after a weeks illness. Aged 72 years. A double funeral was held from their late home Tuesday afternoon, Feb. 10.

Y. and five brothers William and Fred of Hoosick Falls, Frank, George and James of this place.

Mr. and Mrs. Bouplon have visited their native home frequently. The sympathy of this community is extended to the grief stricken families especially the mother who is 90 years of age.

Mumps are quite prevalent in the place.

The time to try Kellogg's Toasted Wheat Biscuit is right now. A demonstrator from the Kellogg company will be at the T. E. Morrissey's grocery store, corner North and Pleasant streets all this week. Every one knows of Kellogg's Toasted Corn Flakes. But perhaps Kellogg's Toasted Wheat Biscuit is not quite as well known. Come around anyway and if you do not learn more you will learn of some new way to serve three deliciously good cereals. Remember that the place is at Mossessey's and the time all this week. All who become acquainted with Kellogg's cereals always become warm friends with them and are always to be found praising either the Biscuit or the Flakes or both. Then get in line and follow the crowd—it pays. 1543

HAVE BEAUTIFUL HAIR

USE PARISIAN SAGE

If your hair is too dry, brittle, dull, thin, or if the scalp burns and itches, immediately begin the use of Parisian Sage. The first application removes the dandruff, cools and invigorates the scalp, and increases the beauty of the hair by making it soft—wavy—abundant.

Parisian Sage supplies hair needs. It is delicately perfumed—not sticky or greasy. Surely try a 50c. bottle.
